

International auditing firm is looking for an **Audit Manager** to be responsible for a portfolio of clients, to take some internal practice responsibilities and to supervise their own team. Clients are all industry sectors (not listed) except banking and insurance. You will report directly to the partners.

ROLE:

- Supervising and motivating your team
- Visiting your clients throughout the UK
- Performing audits
- Identifying if and where processes are not working as they should and advising on changes to be made
- Preparing reports, commentaries and financial statements
- Liaising with managerial staff and presenting findings and recommendations
- Ensuring procedures, policies, legislation and regulations are correctly followed and complied with
- Participating in office management programmes such as training and technical updating, recruitment fairs and allocation of staff resources.

PROFILE:

- Fluent English, intermediate or fluent French will be a plus
- ACA/ACCA qualified – or equivalent level from other country
- Strong technical skills
- **Min 2 experience in team management**
- Must be autonomous and used to managing client relationships and reporting requirements
- Big-4 or other large firm experience (not necessarily in the UK)
- Multi-tasking and used to working under the pressure of meeting deadlines, particularly in the peak season (Dec to March)
- Strong time management skills
- Experience of IFRS as well as UK GAAP
- Familiar with the use of electronic working papers and files

SALARY & BENEFITS:

- Between £62k and £65k/pa depending on experience
- 5 weeks paid holidays
- Health care scheme
- Contributory pension scheme
- Mobile phone
