

Global developer and operator of flagship stores in shopping centres in Europe and the United States is looking for a French speaking **Corporate Finance Accountant**. Our client is present in 13 countries and provides a unique platform for retailers and brand events, as well as an exceptional and constantly renewed experience for customers. The Corporate Finance Accountant will join a team of 7 and will assist the Group Consolidation team with all Group Management reporting. S/he will mostly work on UK and Italian entities.

ROLE:

- Assisting the Group Consolidation team with the production of the Group financial consolidation under IFRS on a quarterly basis, including a number of sub-consolidations as well as submission of all Group reporting to HQ;
- Preparation of annual audit fee allocation across all UK and Italian entities.
- Assisting in responding to auditor queries on half-year and year-end consolidation;
- Assisting the Group Consolidation team to develop the consolidation model in response to any changes in group structure or reporting obligations;
- Good understanding of Derivative valuation posting, Financing flows, forex impact in group accounts, Share based payments;
- Assistance with the maintenance of the consolidation software SAP Business Financial Consolidation and SAP Business & Planning Consolidation;
- Ad-hoc duties as required.

PROFILE:

- Fluent French and English, or intermediate French and fluent English
- Graduate from a Business School, with a major in Finance or holder of a DCG or similar
- Previous experience as a Corporate Finance Accountant
- **Strong Consolidation and financial reporting experience, ideally in a listed company in a French speaking country**
- Good technical knowledge and understanding of complex group structures;
- Strong analytical and planning skills
- SAP BFC experience
- JD Edwards and Hyperion knowledge is an advantage.

SALARY:

£60k/pa negotiable according to skills and experience plus bonus
